Key:
 X = Did not vote.
 "-" = Voted against the pro-growth position.
 Number = Supported the pro-growth position. The number indicates the points earned or lost for that vote or action.
 I = Ineligible to vote.

A note about calculation: The maximum number of points that are awarded for the roll call votes and Bill Tally portion of the rating is 85. Since lawmakers are not penalized for absences, points are awarded proportionately for roll call votes based on the percentage of correct votes times 85. After that calculation is made, the bonus points are added to the total to calculate the final score.
