HAVE THE SAME PLAN FOR SOCIAL SECURITY: CUT 20% OR MORE

“The Biden-Trump Plan to Cut Social Security”

“Doing nothing won’t protect beneficiaries. It’ll
subject them to automatic 23% cuts in 10 years.”

-Wall Street Journal op-ed 4/13/23

“Bill Cassidy says Biden and Trump are 'irresponsible' for deceiving voters on social security”

“ You know, both Joe Biden and former President Trump have the
same plan, which is to do nothing on social security and to allow a
24% cut to benefits from when the fund goes insolvent in about
eight or nine years. They both have the same plan. It does make it
harder,” Cassidy said on NBC's Meet the Press on Sunday. ”
