	"In March 2021, the Biden administration created temporary work-free cash payments in the American Rescue Plan. They transformed the child tax credit from a $2,000-per-child annual tax credit into a child allowance with a maximum monthly payment of $300 for each child younger than 6 years of age and $250 for older children, raising the annual benefit to $3,600 or $3,000 per child. … "Critically, the Biden child tax credit eliminated work requirements and incentives for families, allowing the full cash grant benefit to go to nonworking families for the first time. "Researchers at the University of Chicago found that removing the work requirements and incentives from the child tax credit would substantially reduce parental work." (Heritage Foundation, 11/27/2022) "Congressman Colin Allred (TX-32) today released the following statement after voting for the Inflation Reduction Act." (Colin Allred Press Release, 8/12/2022) "Goldman Sees Biden's Clean-Energy Law Costing US $1.2 Trillion" (Bloomberg, 3/23/2023) "The American Petroleum Institute (API) today joined with nearly 60 other trade groups representing America's natural gas and oil industry in opposing the Inflation Reduction Act (IRA) as passed by the Senate. In a letter to House Speaker Nancy Pelosi and Minority Leader Kevin McCarthy, the organizations outlined problematic provisions, including punitive new taxes and regulatory red tape that undermine the industry's ability to promote energy security for the American consumer."
